

# GIFTS THAT MAKE A DIFFERENCE

**Why not add a Vietnam preacher to your gift list this year?**

Christmas is the time of year that we enjoy exchanging gifts with our loved ones. As we enter this special time of year when we celebrate God's gift of salvation to us, would you consider sharing this same gift of eternal life with the people of Vietnam? There are 86 million people in Vietnam, many who have never even heard of Jesus Christ. Gospelink is currently sponsoring over 50 preachers in Vietnam who are evangelizing, discipling, and planting churches in their provinces. The items shown are needed to help facilitate the efforts of these men and all play an important role in sharing the love and hope that God offers through the gift of His Son, Jesus Christ. Would you help tell the people of Vietnam about this love and hope by providing for one or more of these needs? Give a gift this Christmas season that will make the difference in the lives of many for time and eternity.
